
Connect2 Hosts Holocaust Survivors for Spring Party

A smashing Spring/Passover event was hosted this past month by Connect 2, a home visitation program for Holocaust survivors run by the Shorefront Jewish Community Council (SJCC). The event, with the participation of students from Magen David Yeshiva, was a "spring birthday party" in honor of all the Holocaust survivors and included music, entertainment and delicious food. Rabbi Moshe Wiener, Executive Director of the SJCC, said, "Just as the Jewish month of Nissan reminds the world of Gd's presence in our lives, so, too, our survivors are like the month of Nissan bringing so much inspiration into our lives and reminding us of Gd's divine presence in each of our lives!"
