## A Thank You to Betsy Gotbaum

A standing-room-only crowd of government officials, community leaders and local residents packed the Surf Solomon Senior Center in Coney Island to pay tribute to Hon. Betsy Gotbaum, the outgoing Public Advocate of New York City, for her eight years of service to New Yorkers in need of assistance with problems related to city government.

Throughout the Award Ceremony, jointly sponsored by the Jewish Community Council of Greater Coney Island (JCCGCI) and Shorefront Jewish Community Council (SJCC), Gotbaum was praised for her tireless and productive efforts on behalf of tens of thousands of families, senior citizens and children.

In a display of gratitude for Gotbaum's advocacy for children's services, a group of pre-school children from the Roberta Bright Day Care Center performed two songs in her honor. And Rabbi Moshe Wiener, Executive Director, JCCGCI and SJCC, bestowed the honoree with a Plaque of Recognition that took special note of her years of exemplary service on behalf of all New Yorkers, especially women, children and the frail elderly.
